Americas Best Lift Investment...

TWO POST LIFT BACKSAVER

FEATURES:

- Helps to reduce workers' compensation claims
- Hang your tires from lift swing arms
- Save your technicians from bending down to lift heavy tires
- Simple 10 minute installation
- Backsaver swings 180° when not in use
- Heavy rubber coating prevents damage to expensive wheels and rims
- 100 lb. capacity will hold the heaviest passenger car and light truck tires
- Increases worker safety by helping prevent potential sick days from back pain
- Available for all Mohawk 10,000 lb. to *20,000 lb. 2 post lifts

Save your technicians from bending down to lift heavy tires

* Please note, that this will work with the Model ML-220 but not the Model TP-20 lift.
